Sub: Inviting nominations for two days Seminar on "IT Applications in Indian Police" on 4th & 5th July, 2016 exclusively for Officers of the rank of SP and above, responsible for IT administration of their organisations- regarding

Sir,

Government of India is giving a lot of focus on Digital India & SMART Policing. Many State Police & CPOs has taken a lot of initiative on this front. However, there is no common platform to share these initiatives at national level. To fix this gap SVP National Police Academy conducted 2 day Seminar last year in the month of May. It was highly appreciated by the participants. We want to showcase new successful IT Applications developed by different Police Organisations of State and Centre in the field of Office Automation, Traffic Enforcement, Public Order Management, Crowd Control, Surveillance, Intelligence gathering etc., on annual basis, so that the other sister Organisations can also replicate if found suitable. This year's seminar is being organised on 4 & 5 July 2016.

27/5/16

2. Course Objectives:-

- To bring IT managers of different Police Organisations at one platform to share the challenges they have faced in use of IT.
- To educate the participants about the successfully implemented IT Applications by different Police Organisations and the way forward.
